

# STUDENTS & YOUNG PROFESSIONALS CAREER FAIR & NETWORKING EVENT

Students and Young Professionals from top institutions will attend this event. Attending universities may include Berkeley, Stanford, Santa Clara, San Francisco State University, Cal Poly and additional universities will be attending. These students and young professionals will include undergraduate or graduate students who are currently attending a university or have recently graduated. This career fair enables your company to efficiently and economically identify high quality candidates for current or future openings. Get access to an electronic resume book of student resumes that will be submitted for this event. Gain recognition to Faculty Advisors at top institutions participating in AC 2016.

Benefits of attending:

- Dedicated table for your organization
- Signage displaying your company logo at the career fair
- Electronic resume book of student resumes
- Recognition in CWEA AC 16 communication emails
- Recognition on CWEA AC 16 conference website
- Recognition to Faculty Advisors at top institutions participating in AC 2016
