

CWEA ANNUAL CONFERENCE · SANTA CLARA

STUDENTS & YOUNG PROFESSIONALS CAREER FAIR & NETWORKING EVENT

Are you interested in finding an internship or job in the water environment profession? Explore opportunities with consulting firms and agencies while developing your professional networking skills during the CWEA Students and Young Professionals (SYP) Career Fair at the 2016 Annual Conference.

Well-known local and national firms, as well as innovative agencies from California will be in attendance. Network to learn about the great work these organizations are completing to protect our environment and advance the water environment profession, while exploring the ways you can begin your career in this exciting field.
